**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic provides a very competitive alternative to big providers, offering higher quality service at lower costs, almost at half price. They should be supported for a healthy competition. I am very pleased with their service and support. There are not much alternatives in our neighborhood, for higher speed and lower cost alternatives.
